

Alabama Alcohol and Drug Abuse Association

Certified Clinical Supervisor (CCS)

1. Eligibility:

To be eligible for reciprocity to the other IC&RC jurisdictions credentials obtained through AAADAA must meet the following IC&RC minimum standards:

2. Prerequisite:

Applicant must hold and maintain an ADC, AADC, CCJP, CCDP or CCDPD credential at the IC&RC reciprocal level or hold a specialty substance abuse credential in another professional discipline in the human services field at the master's level or higher.

3. Experience:

10,000 hours of ADC counseling specific work experience plus 4,000 hours of ADC supervisor work experience. The 4,000 hours may be included in the 10,000 hours and must include 200 hours of face-to-face clinical supervision. Of the 200 hours of face-to-face clinical supervision, 100 hours may be performed electronically in real time.

An associate degree in behavioral science may substitute for 1,000 hours; a bachelor's degree in behavioral science may substitute for 2,000 hours; a master's degree in behavioral science may substitute for 4,000 hours.

4. IC&RC credential can only be obtained by meeting the requirements of the local Member Board where you live or work at least 51% of the time. The application process and specific requirements varies for each jurisdiction, so professionals seeking credentials must contact the local board.
5. Passage of IC&RC written exam.
